

VideoGP from LloydsPharmacy's Wellness at Work

With delays of up to 2 weeks to see an NHS doctor and the need to take time off work to attend appointments, can your employees access a GP wherever and whenever they need it? VideoGP from LloydsPharmacy can help!

See a GP in as little as 30 minutes

Access to GPs with years of
NHS & private experience

Request prescriptions,
referral letters & fit notes

Download the VideoGP
app and register

Select a timeslot and
your preferred GP

Join video
consultation

Collect prescriptions within
1 hour or delivered next day
(no prescription or delivery costs)

Wellness at Work offers so much more...

We are leading the way in providing expert online healthcare, enhanced by physical health and wellness services, delivered by our trusted national network of LloydsPharmacy stores. You can offer your employees VideoGP as a standalone service or package with the wider Wellness at Work benefits.
